

Spiritual Growth

Part 1

1. What do you believe about spiritual growth? How has this belief changed over time?
2. Looking back over your life, how has God grown your faith? How have you seen God grow the faith of the people close to you?
3. Of the three vital relationships, which one do you feel like you have experienced the most growth? Which one do you need to work on?
4. What is one next step you can take this week to grow spiritually?
